## Donate Generously for Pakistan Flood Victims

Dear Friends,

More than 20 million people have become homeless by the worst Floods in the history of Pakistan and need your URGENT help.

The floods have devastated the country and as of now, there are food shortages; and, the severe risk of a disease outbreak looms. The magnitude of this catastrophe is extreme.

The Mahatma Gandhi Canadian Foundation for World Peace will be donating \$ 5,000 to the Pakistan Floods Relief Fund.

We are also appealing to friends of the Mahatma Gandhi Canadian Foundation for World Peace, to donate whatever amount they are able to.

Please remember that donations made until October 3rd, will be matched by the Government of Canada, which in essence, doubles your donation.

Cheques to be made payable to the **Mahatma Gandhi Canadian Foundation for World Peace** and donation receipts will be issued. Please mail cheques to:
