Dear Dr. Kalia:

I am writing to extend thanks to the Mahatma Gandhi Canadian Foundation for World Peace for the establishment of the *Gandhi Foundation Scholarship for Peace Studies* in the Faculty of Arts. Your generosity will make a very real difference in the lives of students and the Faculty of Arts is pleased to provide matching funds for this important scholarship.

As referenced in the terms of this award, it will recognize an undergraduate student entering his or her third year, who best combines academic excellence, with a commitment to peace and peace-related activities. In our global climate, this field of study is vital to helping understand and address underlying sources of conflict and examining approaches to sustaining peace. This certificate program adds immeasurably to a student's educational experience, awareness and sensitivity to these issues, as well as training them for possible career opportunities in this field.

As I'm sure you know, 2008 is the Centenary of the University of Alberta and of the Faculty of Arts. As we prepare for the excitement of this important milestone, we do so knowing that support such as yours helps guarantee that our next 100 years will be as rewarding and successful as the last. And for this, we thank you.

With best wishes,

  
Daniel Woolf, FRSC  
Dean of Arts
